

An important agreement has been signed between Tonutti Wolagri and Promodis for French, Swiss and Belgian markets

Friday May 18, 2018 a strategic agreement has been signed between Tonutti Wolagri and Promodis for the sale and promotion of Tonutti and Wolagri branded machines and parts in France, Switzerland and Belgium.

Promodis counts on more 400 associates and a direct client network with more than 3200 names.

This agreement will enable Tonutti Wolagri to consolidate and to increase its presence in these strategic markets.

Already from this season , thanks to this agreement, the new innovative and patented finger wheel rake model Power Rake 8-10-12 will be available for the French, Swiss and Belgian markets.
